In the film and television industry, I specialize in concept development and graphic design, including pre-visualization and 3D rendering. My responsibilities also encompass research, reference gathering, and cross-departmental collaboration. I manage budgets, timelines, and quality control while providing mentorship and leadership. Additionally, I support production with technical design execution and print preparation.

Graphic Artist
Freelance | Windsor and Toronto, ON (01/2006 - Present)

- Designed magazine spreads, logos, album covers, and illustrations.
- Created murals, packaging, and promotional materials.
- Hosted craft workshops and participated in charity events.
